

Regional Sage SalesLogix Users Group Launch on September 15thKickoff Meeting Open to Any and All Sage SalesLogix Customers

Local Sage Business Partner, Simplesoft Solutions, will host the launch meeting of a new Sage SalesLogix Users Group on Tuesday, September 15th. This regional Sage SalesLogix users group will provide a unique experience for SalesLogix users, administrators, trainers, and developers to increase their knowledge and effective use of SalesLogix in their organizations.

Springboro, OH ([PRWEB](#)) September 5, 2009 -- On Tuesday, September 15th the first meeting of a new regional Sage SalesLogix Users group is planned at 3:00 pm in the offices of Simplesoft Solutions in Springboro, OH. This Sage SalesLogix Users group will be run by the members, including the privilege of selecting a name for the group and setting discussion topics for each meeting. This regional users group will be focused on the effective use of Sage SalesLogix as a CRM tool to drive positive change and results within their overall CRM business strategy at their respective organizations.

The key topic for this kickoff meeting will be Best Practices for Data Management and will also include some key decisions on the operational aspects of the group. A name for the Users Group will be chosen by those submitted from current users. Every subsequent meeting will include a customer profile of a unique and practical use of SalesLogix to improve internal processes or customer intimacy. Come be a part of this kickoff meeting for the new users group, as well as the after hours gathering at Campioni's in Springboro, OH. Simplesoft Solutions is located at 550 N. Main Street, Suite A, Springboro, OH 45066.
