

Simplesoft Solutions, Inc. Adds Sage Certified Support Staff to Back Strong Customer Growth for Sage SalesLogix

Simplesoft Solutions, Inc. experienced a growth rate of 35% over the prior year for 2011. Staff hiring and education has been a focus for the past six months. Increasing the number of Sage SalesLogix certified support consultants was a strategic requirement for 2012.

([PRWEB](#)) August 06, 2012 -- The company announced today that Sage Implementation Consultant certification for Sage SalesLogix was completed for two more employees. Two new Sage SalesLogix Web developers and one system analyst were added to the staff along with a longtime employee completed his MBA. "[Hiring skilled consultants](#) and completing Sage certifications were important to sustain growth and provide a high level of service for our SalesLogix customers," Jim Pemberton, VP of Engineering, says.

"With our recent hires and additional Sage certifications, we are well positioned to continue to grow our [Sage SalesLogix](#) business in 2012 and 2013" Don Menrisky, President of Simplesoft, says.

[About Simplesoft Solutions:](#)

Simplesoft Solutions is a Midwestern-based customer relationship, management, software and business consulting firm providing implementation, integration, development and training for Sage SalesLogix and SageCRM solutions. We have been supporting the sales, marketing and customer service business consulting needs of clients in the Ohio, West Virginia and Kentucky areas for over 14 years. Our CRM solutions, services and support, along with our philosophy of incremental return on investment, mean our impact on our clients' business is real and immediate.
